

Envision Lesson Analysis using CRMT tool

Grade Level: _____

CRMT dimension: _____

Start by considering the guiding question provided for this dimension of CRMT, then use the rubric to help you think about the dimension in more detail. After thinking through steps 1 and 2, you can go on to step 3 or repeat for steps 1 and 2 with a different dimension.

	What places in this part of the lesson already lend themselves to embedding this dimension? What might you need to do to make this happen or build on it?	How could you add this dimension into this part of the lesson if it's not already there?
Part 1: Solve and Share		
Part 2: Visual Learning Bridge		
Part 3: Differentiation
